Power, Symbols, and Beauty

Campers travel the globe this summer through original artworks in the Museum. Each of our camps encourage campers to experiment with new artistic techniques and materials while making connections between cultures. A world of discovery awaits your camper this summer!

The Museum Studio Summer Art Camp is the only summer experience that gives your camper immediate access to our collection of original artworks from around the world. Give your child a summer of endless inspiration at the Museum.

All About Africa - Explore animals, patterns, costumes, and materials in African art. Discover stories about each culture and the artworks they used. Create artworks that celebrate and honor the diversity of Africa.

Young Artists: both weeks;

Little Masters: Afternoon week 1, morning week 2

Japanamania! - A camp where old customs meet new technology. Discover the connection between samurai armor and manga and anime (Japanese comic books and cartoons). Explore paper arts, costumes, and the Japanese style.

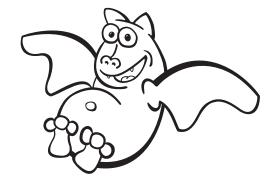

Little Masters: morning week 1, afternoon week 2

If you have any questions, would like to inquire about scholarships, or need technical assistance with online registration, please call 205.254.2571.
